

# 2020-2021 SCHOOL NUTRITION TOOLKIT

## **Strategies to Increase Meal Participation**

#### Resources to Help You Help Them!

## **Accessibility**

## **Diversify Your Distribution:**

Use school buses or food trucks to drop off meals at bus stops or homes, or find local partners with trucks for distribution.

## **Add New Service Times:**

Offer late afternoon/evening hours and open every day for pick up. Tell families if you offer flexibility upon request.

#### **Open More Locations:**

Opening more school buildings for meal distribution increases access, especially for families on foot or bike.

### **Inclement Weather Ahead:**

Prepare to switch to bulk meals during inclement weather. Communicate your plans to families in advance.

## One-Stop Shop:

Partner with local food banks or organizations that provide groceries for families. Partner organizations help with outreach, too!

#### **Combined Celebrations:**

Special themed events like book bag giveaways or festive school orientation events can be combined with meal pick-up.

#### **Provide a Hot Meal:**

Try offering hot meals, like pizza on Fridays, when families are picking up meals for the week.

### **Awareness**

#### **Communicate with Stakeholders:**

Our template letters help inform families, principals, and superintendents of the importance and availability of meals.

## **PSAs and Social Media:**

Use our sample scripts and social media posts to ensure that students and families know how to access school meals.

#### **Local Partners Can Help:**

Anti-hunger organizations, government officials, pediatricians, and other trusted messengers can help spread the word.

## **Build Hype with Events:**

Hosting monthly themed events can promote meal pick-up and incentivize participation.

#### **Live Cooking Demos:**

Enlist school chefs or administrators to cook a featured menu item on Facebook Live or other social media platforms. Remember to share meal pick-up info.

#### **Cross-Promotion:**

Food suppliers, vendors, or other organizations offer free promotional items, like school supplies or activity kits, at meal pick-up.

#### **Banner Ads:**

Post a banner ad on virtual learning platforms and district websites to advertise menus, pick-up hours, featured recipes, and more!

## **Menu Support**

### **Create Variety with Temperature:**

Offer a hot meal or hot chocolate milk at pick-up, even if the rest of the box contains cold menu items.

## **Recipes and How-To Videos:**

Share a 1-pager or video of suggested recipes like fruit & yogurt smoothies using take-home meal box contents.

#### **Innovative Packaging:**

Bento boxes or multi-compartment trays create interactive meals like build-yourown parfaits, walking tacos, or pizza kits.

#### **Safe Delicious Food:**

Provide a food safety information sheet to help families store and reheat foods properly for the best quality and safety.

#### **Eat with Your Eyes:**

Make your menu come to life by sharing photos, a video, or a TikTok of the take-home meal box contents.

#### **Picture Pages for Staff:**

Staff can pack meal boxes easily with visual instructions showing what to pack in advance and what must stay cold.

## **Find New Revenue Streams:**

Consider offering a family meal kit, birthday bundles, or prepackaged a la carte items for purchase at meal pick-up.

Be sure to check with your State Agency before implementing any changes to your program.
