

Dear School Nutrition Director,

Throughout this past school year, American Dairy Association North East has been dedicated to supporting you and your district with creating delicious breakfast and lunch menu items to keep your students excited about the school meal program.

Students love the taste of yogurt! Yogurt is smooth, creamy, and delicious! Providing freshly made Smoothies and Parfaits on your menu will sure please any age group. Included in this kit is everything you need to get students excited about school meals!

- **Best Practices**
- **Equipment Resources**
- **Guidelines for Preparation**
- **Breakfast and Lunch Recipes**
- **Service Tips for Blended Learning**
- **Marketing your Program**
- **Downloadable Posters**

The American Dairy Association North East is proud to partner and assist you in starting this great program opportunity. When serving **Dairylicious** freshly made yogurt smoothies and parfaits, your students will generate excitement and ask for more!

Thank you,

American Dairy Association North East
